

Stand with Us

Dear friends,

For centuries, the people of Great Zimbabwe built stone cities upon the hills of Southern Africa. When danger approached — invading tribes, prowling lions, or threats in the night — watchmen stood on the walls while warriors gathered stones, spears, and boulders to protect the next generation sleeping safely inside. Some carried a single stone. Others lifted heavy boulders. But everyone understood:

If the watchmen failed, the children would suffer.

Today, the battle looks different, but the calling remains the same. Young people across Africa face spiritual darkness, confusion, poverty, and hopelessness. At Youth for Christ Africa, we are committed to standing on the wall for the next generation — protecting, discipling, and equipping youth to flourish in faith and become leaders in their communities.

God has given us a bold vision to strengthen our watchmen— our national directors serving the 10 nations of YFC Southern Africa— by raising \$500.00/month per director over a 5 year period. This stipend will help our brave men & women stand tall as they build out their teams and spearhead essential youth evangelism & discipleship ministries such as school outreaches, drop-in-centers, sports camps, crisis pregnancy support, orphan care, and raising up the next generation of watchmen through biblical-based student leadership.

When the attacks came, the Zulu watchmen shouted, **“Yimani nathi”** — stand with us.

Will you stand with us to see this bold vision come true?

- Will you offer a “stone” — a simple monthly gift or faithful prayer?
- Will you lift a “boulder” — a larger investment to strengthen and expand the ministry?
- Will you raise a “spear” by volunteering, mentoring, and serving?

Every gift matters. Every prayer matters. Every act of faith helps protect the next generation. By God’s grace, last year we ministered to more than 69,000 youth. With your support we can reach even more youth for Christ!

Will you become a watchman on the wall?

With gratitude,

Sheunesu, Susan, & Micah Masuka
Youth for Christ Southern Africa
